

Biography

CHARLES H. FRITZ, II

Army Senior Fellow
Deputy Under Secretary of the Army

Mr. Charles Fritz was selected for the Army Senior Fellows Program in 2007. He assumed the position as the Senior Advisor to the Director, G-44 Maintenance where he leads change efforts within the Army's maintenance community. Mr. Fritz also served in an executive assignment with the Joint Staff, J4 where he led development of the first-ever comprehensive Operational Contract Support Concept of Operation.

Before assuming his role as an Army Senior Fellow, Mr. Fritz served as the Associate Director for Business Management at the Army's Logistics Innovation Agency, significantly streamlining staff processes, including resource and contract management, facilities and information infrastructures, and personnel systems. Prior to that assignment, he was the Chief of Futures Group within the Agency, assessing technologies relative to logistics processes, plotting the course for Army logistics, and leading long-range innovation efforts. Mr. Fritz also represented the Agency during two major organization redesign efforts within the Office of the Deputy Chief of Staff, G-4.
